About Traingogy

Traingogy is dedicated to transforming the landscape of learning and development through innovative and flexible e-learning solutions. Founded with the mission to promote lifelong learning and Continuous Professional Development (CPD), Traingogy offers a wide range of high-quality courses that cater to various professional fields including accounting, business administration, data science, and digital marketing.

Traingogy prides itself on providing learning experiences that are not only accessible but also adaptable to the needs of modern learners. By leveraging the latest in educational technology, Traingogy ensures that its courses are engaging, interactive, and effective in helping learners achieve their professional goals.

Partnerships and Accreditations

We have partnered with The Association of Certified Professionals (ACP) and the London Examinations Board (LEB) to independently assess and verify programmes offered by Traingogy. ACP, LEB, and Traingogy will jointly award the certificates.

On being issued with a certificate from Traingogy, you will also qualify for membership with the ACP. ACP aims to promote the transnational peer-to-peer exchange of ideas within and beyond the professions or borders of its members. It will be a networking and cross-cultural forum where local and international employment opportunities can be advertised and advice, local know-how and knowledge can be sought from other members.
